Annual Fund Appeal Report

Our School. Our Children. Our Future.

Your Investment.

The Christ Child Academy Annual Fund is our schools most important giving priority. Your participation is critical and reflects your belief in all that happens here . Your gifts, large and small, make possible the enhanced resources and programs that make each student's education unique and powerful.

Your gift provides a critical bridge between tuition revenue and the actual cost of running the school, offering relief to the operating budget and directly affecting students, faculty and numerous programs that align with our mission. Most importantly, gifts, regardless of the size, allow our leadership to respond to Christ Child Academy's most pressing financial concerns and provide the flexibility to seize unique and important opportunities.

All CCA families and community members are asked to support the Annual Fund. Gifts are tax-deductible as allowed by law. We welcome matching grants from businesses and foundations in Sheboygan and throughout Wisconsin.

It is evident that exemplary academics and faith-filled education are important to our school families and parishioners. We are the proud alma mater of 24 valedictorians in the past 14 years! To have a foundation outside of our community support us, speaks volumes about the value that others see, as well.

Thank you to all who shared with us your gifts of prayer and financial contributions. Your investment in our children and their future is most appreciated.

In this fiscal year July 1, 2017 to June 30,2018 we have achieved the following, with your support of our Annual Fund Appeal and other Development initiatives:

- ◆ Raised \$59,000 at our Annual Winter Extravaganza, the schools largest fund-raiser of the year.
- ◆ Added donations to the Guardian Angel Tuition Assistance Fund totaling almost \$24,000 for families facing unexpected and critical short term financial challenges.

- ◆ Built relationships with several corporate and family foundations that support Catholic education and initiatives.
